ASX Announcement

**EXTENSION OF SETTLEMENT DATE FOR
FORRESTANIA TENEMENTS.**

PERTH, AUSTRALIA – 18 September 2024 - Classic Minerals Ltd (ASX: CLZ) (“Classic”, or the “Company” refers to its purchase of the Forrestania tenements from Reed Exploration Pty Ltd (a wholly owned subsidiary of Redivium Limited (ASX:RIL) (**Redivium**)) as detailed in the announcement of 03 October 2023 and extension announcements of 05 February 2024, 16 May 2024 and 05 June 2024.

The Company and Redivium have agreed to extend the completion date to 01 November 2024 (or such other date as agreed), to provide additional time for Classic to settle payment and completion of closure formalities.

As part of the extension:

- Classic will settle the balance of payments due at completion of approximately \$350,000 plus interest charged at 12%, on or before 01 November 2024; and
- Classic will pay Redivium an additional penalty fee, in consideration for continual delays to completion of the transaction, of an amount equal to 15% multiplied by the total outstanding amounts (including interest) owed by Classic at the completion date.

Both parties remain fully committed to completion of the transaction.

This announcement has been approved by the Board.

ENDS:

ABOUT THE FORRESTANIA GOLD PROJECT

The FGP Tenements (excluding Kat Gap) are registered in the name of Reed Exploration Pty Ltd, a wholly owned subsidiary of ASX listed Redivium Ltd (ASX: RIL), previously Hannans Ltd. Classic held 80% of the gold rights on the FGP Tenements via a third party, whilst Redivium maintained its 20% interest in the gold rights. Classic is in the process of purchasing the final 20% from Redivium pending terms of the binding sale agreement (CLZ HNR ASX release 03 Oct 2023 and RIL CLZ ASX release 5 June 2024). For the avoidance of doubt Classic Ltd owns a 100% interest in the gold rights on the Kat Gap Tenements and also non-gold rights including but not limited to nickel and lithium.

Classic has inferred and indicated mineral resources of **8.09Mt at 1.45 g/t for 377,946 ounces of gold**, classified and reported in accordance with the JORC Code (2012), with Scoping Study (see ASX Announcement released 2nd May 2017) suggesting both the technical and financial viability of the project. The current post-mining Mineral Resource for Lady Ada, Lady Magdalene and Kat Gap is tabulated below. Additional technical detail on the Mineral Resource estimation is provided, further in the text below and in the JORC Table 1 as attached to ASX announcements dated 21 June 2023.

Prospect	Indicated			Inferred			Total		
	Tonnes	Grade (Au g/t)	Oz Au	Tonnes	Grade (Au g/t)	Oz Au	Tonnes	Grade (Au g/t)	Oz Au
Lady Ada	540,339	1.62	28,143	809,642	1.23	32,018	1,349,981	1.39	60,161
Lady Magdalene	956,494	1.36	41,823	4,644,033	1.31	195,595	5,600,527	1.32	237,418
Kat Gap	254,900	2.5	20,488	886,512	2.11	60,139	1,141,412	2.19	80,367
Total	1,751,733	1.61	90,454	6,340,187	1.41	287,752	8,091,920	1.45	377,946

Notes:

1. The Mineral Resource is classified in accordance with JORC, 2012 edition
 2. The effective date of the mineral resource estimate is 10 June 2024.
 3. The mineral resource is contained within FGP tenements
 4. Estimates are rounded to reflect the level of confidence in these resources at the present time.
 5. Mineral resources for Lady Ada and Lady Magdalene (Ladies) are reported at 0.5 g/t Au cut-off grade, Kat Gap at 0g/t Au.
 6. Depletion of the resource from historic open pit mining has been considered for the Ladies deposits. Trial pit mining depletion at Kat Gap has not been accounted for in the block model due to the ore remaining unprocessed.

The Company confirms that it is not aware of any new information or data that materially affects the information included in this market announcement and, that all material assumptions and technical parameters underpinning the estimates in the relevant market announcement continue to apply and have not materially changed.

Forward Looking Statements - Disclaimer

This ASX announcement (Announcement) has been prepared by Classic Minerals Limited (“Classic” or “the Company”). It should not be considered as an offer or invitation to subscribe for or purchase any securities in the Company or as an inducement to make an offer or invitation with respect to those securities. No agreement to subscribe for securities in the Company will be entered into on the basis of this Announcement.

This Announcement contains summary information about Classic, its subsidiaries and their activities which is current as at the date of this Announcement. The information in this Announcement is of a general nature and does not purport to be complete nor does it contain all the information which a prospective investor may require in evaluating a possible investment in Classic.

By its very nature exploration for minerals is a high-risk business and is not suitable for certain investors. Classic’s securities are speculative. Potential investors should consult their stockbroker or financial advisor. There are a number of risks, both specific to Classic and of a general nature which may affect the future operating and financial performance of Classic and the value of an investment in Classic including but not limited to economic conditions, stock market fluctuations, gold price movements, regional infrastructure constraints, timing of approvals from relevant authorities, regulatory risks, operational risks and reliance on key personnel.

Certain statements contained in this announcement, including information as to the future financial or operating performance of Classic and its projects, are forward-looking statements that:

- may include, among other things, statements regarding targets, estimates and assumptions in respect of mineral reserves and mineral resources and anticipated grades and recovery rates, production and prices, recovery costs and results, capital expenditures, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social and other conditions;
- are necessarily based upon a number of estimates and assumptions that, while considered reasonable by Classic, are inherently subject to significant technical, business, economic, competitive, political and social uncertainties and contingencies; and,
- involve known and unknown risks and uncertainties that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in such forward-looking statements.

Classic disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise. The words ‘believe’, ‘expect’, ‘anticipate’, ‘indicate’, ‘contemplate’, ‘target’, ‘plan’, ‘intends’, ‘continue’, ‘budget’, ‘estimate’, ‘may’, ‘will’, ‘schedule’ and similar expressions identify forward-looking statements.

All forward-looking statements made in this announcement are qualified by the foregoing cautionary statements. Investors are cautioned that forward-looking statements are not guarantees of future performance and accordingly investors are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty therein. No verification: Although all reasonable care has been undertaken to ensure that the facts and opinions given in this Announcement are accurate, the information provided in this Announcement has not been independently verified.
